# Privacy Policy

How we collect, use &  
protect your data

At Kaabil, your privacy is our top priority. We've built our platform around five core commitments to ensure your data is handled with care, and transparency,.

## Purpose-Limited Data Use

We collect only the information necessary to power and personalize Kaabil's AI tutors, practice questions, and analytics dashboards.

## Transparency & Consent

We clearly disclose what we collect—profile details, usage logs, device data—and obtain explicit consent before any non-essential processing.

## Data Minimization & Retention

We retain personal data only as long as needed to deliver our services or if required to meet necessity legal requirements, then securely delete.

## User Rights & Control

At any time, you can access, correct, export or delete your data via your account settings or by contacting [contact@kaabil.me](mailto:contact@kaabil.me).

## Strong Security & Responsible Sharing

All data is encrypted in transit and at rest, access is tightly controlled, and we never sell personal data—only share anonymized insights or minimum necessary data with vetted partners under NDA.

*By adhering to these principles, Kaabil.me ensures your personal information remains secure, private, is never shared and used only to add value to your learning journey. If you ever have questions, reach out to us at [contact@kaabil.me](mailto:contact@kaabil.me). Thank you for trusting Kaabil with your data.*

## Policy Updates & Review

We regularly update this policy to reflect changes in our data practices or laws.

Major updates communicated 10 days before they take effect.

Thank you for trusting Kaabil with your data.
